Rotary Club of Shatin - Geoconservation and Geopark Talk
Hong Kong National Geopark
(27/10/2010)

AGHK's chairman, Mr. Young Ng was invited by Rotary Club of Shatin to talk about Hong Kong National Geopark. The luncheon talk attracted 20 of its members. Mr. Ng introduced the 3 main purposes of setting up a national geopark in Hong Kong. He also described the threats of the CLP Sai Kung windfarm project and illegal columbarium etc on damaging the natural beauty and geological heritage of Hong Kong. Questions were asked about the geological attractions of Hong Kong Geopark, its management and operation such as ways to minimize human impacts on these valuable geological features.

本會主席吳振揚先生應沙田扶輪社邀請出席午餐演說，主題是香港國家地質公園。

是次午餐演說吸引了 20 會員出席，吳主席介紹了成立香港國家地質公園的 3 個主要目的，以及影響地質公園自然景觀及稀有的地質遺址問題，例如西貢風力發電場及非法骨灰龕場等。在答問時間中，大家都熱烈討論不同問題，如地質公園的景點，以及關心如何去管理地質公園，從而減少人對那麼價值高的地質地貌的影響。
